FISCAL NOTE

HB 1333 - SB 1183

March 27, 2011

SUMMARY OF BILL: Specifies that injuries to domestic violence victims and sexual assault victims shall not be reported to law enforcement unless the injured person consents to a report.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- According to the Administrative Office of the Courts, this bill could result in a decrease in the number of domestic abuse, sexual assault, and order of protection cases that may be brought to the courts as a result of a report of injuries. Any judicial resources freed by a reduction in case load would be absorbed by other cases and judicial activities.
